

EERA Life Membership

As a European-wide association, EERA has been working hard since the mid-1990s, and since that time it has grown and flourished.

EERA has always depended on the commitment and selflessness of its officers, particularly its Presidents.

The Council has decided in June 2008 to recognize this service to EERA by creating a new category of membership, the Life Member.

This is an Honorary position with no duties or rewards.
