The Need  
for Educational Research to Champion  
Freedom, Education and  
Development for All

Emerging Researchers Conference 17 - 18 Sept. 2012  
ECER Main Conference: 18 -21 Sept 2012

EERA, European Educational Research Association and the University of Cadiz, Spain, invite Educational Researchers to submit proposals for the European Conference on Educational Research 2012. The conference theme will provide a focus for keynote addresses and invited events. However, proposals for contributions are welcome from all fields of educational research.

### CONFERENCE THEME: "The Need for Educational Research to Champion Freedom, Education and Development for All"

Major events at the beginning of this millennium, such as the economic crisis, increasing migration, and of people who become refugees, the reorganization of relations between states and trans-national agencies and the influence of free communication on the Internet, arise the need to think about the role of Educational Research as means to ensure and enforce freedom and promote education and the comprehensive development of citizens of the whole world.
